

Organiser's IT order form 2021/22

Important information

Due to the instability of wireless connectivity within the structure of an exhibition, we strongly recommend that you only use a wireless internet connection if you are only checking emails and browsing the internet. A wired connection is recommended if you need to do anything more than the above as these are the most secure and stable source of internet for an exhibition.

Please note it is YOUR responsibility to ensure that your stand builder correctly routes your cables to final location. Arena IT will pull the cable to the nearest floor duct and exit within your stand and provide approximately 6m of additional cable for your stand builders to route.

Instructions

1. Select the services you require by specifying the quantity in the box provided.
2. Ensure you have read the Terms and Conditions on the website, including those specific to your type of Service.
3. Complete all contact details and payment details.
4. Fax your completed Order Form to 0844 873 6598.
5. All orders should be received 14 days prior to 1st build up day. Any orders received after this will be subject to availability and a 20% surcharge payment and plus any out of hours labour charges.
